Important Alert Notice: Usually each school year falls into 2 calendar years [e.g., Sept. 2022 to June 2023]. If SSRA were to send you SEED Grants of \$600 or more in the same calendar year [=Jan. to Dec.], both SSRA and you would be required by the Internal Revenue Service to fill out a 1099 form—thereby reporting that sum to be a potential addition to your income for that tax year. So, SSRA Members, if you apply for a SEED grant in 2 different but adjacent school years, please space your requests for S.E.E.D. grants so that the total for both grant requests will not equal \$600 or more dollars between January and December of the same calendar year.
